

Show us your Thurston Energy HomePLUS™ invoice when you open your Green Home Investment loan with Generations Credit Union and we will pay for your energy evaluation*

Generations Credit Union is proud to collaborate with Thurston Energy to help make Thurston County a healthier, greener place to live. As a way to say thank you to our members who have made a commitment to energy efficiency we're offering this great deal. Stop by our branch today to learn more about our Green Home Investment Loan.

*Offer to pay for HomePLUS™ energy's use evaluation expires on December 31, 2011. The Thurston Energy HomePLUS® rebate structure for qualifying Green Home Investment loans is as follows: loans in the amount of \$2500 - \$5000 qualify for a \$50 rebate, loans in the amount of \$5001 - \$14,999 qualify for a \$100 rebate, and loans in the amount of \$15,000 or more qualify for a rebate of the full price paid. Qualifying loans must apply to homes that are located in Thurston County, WA, and are an owner-occupied primary residence. Please contact Generations Credit Union for more information.
